

# Somerset College

19 March 2015

Dear Founders' and Vineyard House parents

As we come to the end of our first term and the school reports are issued, it seems a worthwhile exercise to reflect on our goals for 2015. It has been a busy and difficult term for many. There are some who will see difficulty in every opportunity but others who will see opportunity in every difficulty. We hope that these reports next week can offer some insight into your child's progress.

Since the beginning of March, we have been using the transport company of Sister Lezanne's husband, Danie Niemand. The school has investigated and come to the decision that this is a safe and affordable option which will ensure that Sister Lezanne and the boarding staff are present on campus during the day. Should you wish to make use of this service for appointments, please contact Sister Lezanne ([l.niemand@somcol.co.za](mailto:l.niemand@somcol.co.za))

We will also be using this shuttle service to take students to the airport and collect them. The last day of school this term will finish at 11:30 on Friday 27 March. Boarders are expected back in boarding in Term 2 between 13:30 and 17:30 on Monday 13 April. Please could you inform us of flight details should you wish us to arrange for your child to be transported to or from the airport.

We will be accommodating some rugby teams in both boarding houses during the holidays for a tournament that Somerset College is hosting. For this reason we will need to ensure that your children's belongings are completely cleared from the boarding house during this time. There will be limited storage space for Termly Boarders to be able to store their bedding and items they cannot travel with on their flight home.

There will be many festivities on the campus during our final week. Artz Daze will provide the opportunity for students to show and appreciate each other's talents. The Music Concert on Thursday night promises to be exciting and our boarders are all encouraged to attend and enjoy this celebration.

These two weeks of holiday will be busy for some as there are many Somerset College tours taking place during this time. But we do hope that you make the most of the break that you do have and wish your families a blessed Easter.

Yours sincerely,  
Jeanna Wessels and Shaun Hudson-Bennett
